If a person decides to appeal any decision made by a board or council with respect to any matter considered at a meeting or hearing, he or she will need a record of the proceedings and may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. Any person with a disability requiring reasonable accommodation in order to participate in this meeting should call 727-816-1900 Ext. 112 or fax a written request to 727-816-1916 with a twenty-four (24) hour notice.
