

# City of Port Richey Product Approval/ NOA Cover Sheet

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and product approval number (s) on the building components listed below if they are to be utilized on the construction project for which you are applying for a building permit.

NOTE: It is the responsibility of the permit holder to have printed installation instructions on the jobsite for the inspector's verification. Florida approved products are listed online at [www.floridabuilding.org](http://www.floridabuilding.org) or can be obtained from your local product supplier.
