

PART TIME FIREFIGHTER FIRE DEPARTMENT

GENERAL DESCRIPTION:

General firefighting work in combating, extinguishing and preventing fires and protecting life and property. Acts as a member of the pre-hospital emergency care team in providing proper comprehensive basic life support treatment, care and transportation.

ESSENTIAL JOB FUNCTIONS:

Responds to emergencies with fire or rescue companies and performs related functions as required. Drives and operates apparatus as assigned, when needed. May be assigned duties as acting driver/engineer. Is subject to emergency call-back as part of the regular duty. Performs orderly and systematic evaluations and examinations of scenes and patients. Provides care, treatment, and transportation of patients in accordance with the knowledge and skills of a registered Emergency Medical Technician. Completes reports and records and operates radios according to system standards and guidelines. Ensures that all supplies, equipment and apparatus are sufficient, operational and properly maintained. Reports deficiencies to supervisor immediately. Performs maintenance chores of quarters, station and grounds. Attends and participates in company drills and training sessions. Performs related work as required.

KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of practices and procedures in accordance with FDOH Program for EMT. Ability to gain knowledge of the City streets and geography. Mechanical aptitude and ability to learn and operate relatively complex equipment. Ability to establish and maintain effective working relationships with associates and the public. Ability to understand and follow oral and written instructions. Ability to perform prolonged and difficult work under adverse conditions. Ability to learn a wide variety of duties and methods within a reasonable training period. Ability and willingness to learn new methods and techniques.

MINIMUM REQUIREMENTS:

PHYSICAL SKILLS:

Coordination and physical strength sufficient to pass an agility test. Position requires climbing ladders, pushing, pulling, bending, kneeling, stooping and running. Ability to communicate effectively using speaking, hearing, writing and vision skills.

EDUCATION, TRAINING AND EXPERIENCE:

Graduation from high school or possession of an acceptable equivalency diploma. Current registration by the State of Florida as an EMT or Paramedic. Current certification by the American Heart Association, American Red Cross or American Safety & Health Institute in BLS. Certificate of Compliance from the Florida Bureau of Fire Standards and Training. ICS 100 & 200, NIMS 700 & 800. Position requires a valid class "D" Florida driver's license. Maintains all licenses and certifications as required.

JOB LOCATION: 7824 GRAND BLVD, PORT RICHEY, FL
